

Flagpoles Incorporated located in East Setauket NY is pleased to announce that as of June 2, 2003 it has acquired all of the assets of the former P&K Pole products of Newark NJ. A new Corporation P&K Tubular Products (P&K) has been created in order to continue and improve upon the experience and leadership the name P&K has stood for in the Pole Industry. By combining P&K's 65 years and Flagpoles 35 years of experience in the Pole Industry a new, much stronger organization has been formed. Featuring the entire product catalogue of innovative, outstanding quality and cost effective products that customers have come to expect from the P&K name; P&K Tubular Products and Flagpoles Incorporated look forward to working with our customers as we add a new chapter to the P&K legacy

P&K teamed with Flagpoles Incorporated now has unmatched capability in the manufacture of lighting standards, traffic equipment and tapered shafts. No other Pole Manufacturing facility in the world has a more versatile, larger and high Tech capability.

Whether producing a custom designed ornamental project or supplying exact replacements for a 50 year old installation, P&K has the expertise and capabilities the customer deserves. You may have tried the rest- now come back to the best P&K Tubular.
