CAMERA & VIDEO DETECTION MOUNTING SYSTEMS

ADJUSTABLE CAMERA MOUNT SB29-ACM-29

QUICK
COST EFFECTIVE
FULLY ADJUSTABLE
COMPLETE with BANDING or CABLE
MADE IN USA

VERTICAL OR HORIZONTAL
INSTALLATION

The Adjustable Camera Mount mounts directly to the Skybracket standard or cable clamp kit and is easily clamped to the end of the Skybracket aluminum extrusion. This allows the use of variable tube lengths as well as the ability to conceal wires within the Skybracket extrusion. Mounts to most all OEM cameras.

Available Tubing Lengths: 24", 46", 60" & 74"
Available Band Lengths: 29" & 59"

Available Cable Lengths:
66" & 90"

SB-PLT

Optional Adaptor
Plate available for
Burle type cameras
(ex: Quixote & Peek)
